Dear community partner,

This year, Episcopal Community Services' (ECS) celebrated "taste of" event is back at the same venue: Bespoke, atop the Westfield Mall on Thursday, May 2. Guests will enjoy an evening of specialty hors d'oeuvres, wine, and signature cocktails, provided over 30 of San Francisco's most innovative chefs and mixologists, as well as live and silent auctions. Each year, the event profile rises with greater attendance and more key influencers, as well as quality of restaurants and auction items. As always, we will feature a number of homeless and formerly homeless students enrolled in our CHEFS (Conquering Homelessness through Employment in Food Services) program. We anticipate more than 600 guests, and we look forward to the enthusiastic and generous community response that this event elicits.

Now in its 36th year, ECS is the largest most comprehensive provider of services and supportive housing in San Francisco. Proceeds from our CHEFS Gala support ECS's vital homeless shelters and services, senior center, and adult education program, as well as our CHEFS culinary training program that provides skills and pathways to employment.

Please visit our website to learn more at www.ecs-sf.org. Thank you for your support and commitment to our work.

Sincerely,

Beth Stokes
Executive Director

Episcopal Community Services of San Francisco (ECS) helps homeless and very low-income people every day and every night obtain the housing, jobs, shelter, and essential services each person needs to prevent and end homelessness.
